Experience

- **Web Developer** Summer 2023
CoreOrient oy
I was an intern as a web developer for a Finnish company. I worked on their website, improving it and enhancing its security against potential hacks.
- **Mobile Delevoper** Winter Intern 2024
Vesko Oy
I started learning React Native with Expo during my internship to challenge myself, and I'm happy that I have improved my skills. I worked on the notification feature, similar to Instagram. I also followed their Figma design structure and used their theme and styling. Additionally, I participated in their weekly meetings and improved my understanding of Agile development
- **Pre-History Tour guide** 2016-2017
National museum of Iran
I worked as a tour guide at the National Museum of Iran, gaining and improving my skills every day. During my job, I studied archaeology books to deepen my knowledge in my field. I am an energetic person, well-suited for this job, and I have strong teamwork abilities.
- **Full-Service Travel Agent** 2015-2016
ArshinParvaz
I handled bookings, provided travel advice, and organized personalized trips at the agency. My patience and energy make me well-suited for this field, helping me grow professionally and gain valuable experience
